# Hendersonville Soccer Alumni and Family Bricks

We will be enhancing the stadium entrance with a brick pathway that will honor alumni and soccer families that have supported the rich tradition of HHS Soccer. This fundraising project will be used for stadium improvements happening now and in the future. New (brighter) stadium lights are scheduled to be installed mid-September which will dramatically improve the lighting on the field (from 15 foot-candles to 47 foot-candles – NCAA standard is 50 foot-candles). Once the trucks and cranes are finished installing the lights, the sidewalk path to the new entrance will be poured the following week which will allow the initial placement of alumni bricks to begin. Now is your chance to be part of the initial placement of bricks.

We intend to offer the fundraising brick program indefinitely for future alumni to join. For questions regarding the engraved brick campaign, please email Erik O'Reilly at [erikohhsoccer@gmail.com](mailto:erikohhsoccer@gmail.com).
